Dearest Mother & Dotty:

I haven't received a letter from you since the one dated 21 March '44! What's the matter? Please tell me about your trip to Chicago and about Bobby Howe's accident.

Please send me a box of food, as Cornell gloves, Cashews that will keep, etc. Also please send me a book that Block Schaffer's fountain pen I sent you from Virginia. I also need some paper plates and a checkerboard.

Your package can't weigh but 5 pounds. Tell the postal authorities about it.

Write soon!

Love,

Harold
